ESSA requires three elements that are essential for effective implementation of a schoolwide program.

In accordance with the revised (12/10/15) Section 1114(b)(1) of Title I, Part A Statute, a Schoolwide program shall include the following federally required elements:

1. Conduct a comprehensive needs assessment - (SWP CNA) Schoolwide Comprehensive Needs Assessment. (Section 1114(b)(6))
 - a. Includes academic achievement of students.
 - b. Needs of students who are failing, or are at-risk of failing, to meet State standards.
 - c. Barriers for educators, students and parents.
2. Prepare a comprehensive schoolwide plan - (SWP CIP) Campus Improvement Plan. (Section 1114(b))
 - a. Provide opportunities for all children to meet the challenging state academic standards.
 - b. Instructional strategies that strengthen the academic program in the school.
 - c. Increase the amount and quality of learning time.
 - d. Address the needs of all students in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards.
 - e. Includes the involvement of Parents, Community members, Teachers, Principal, Other school leaders.
 - f. Regular monitoring and revision as necessary based on student needs.
 - g. Available to the LEA, parents, and the public, in an understandable and uniform format and, to the extent practicable, provided in a language that the parents can understand.
3. Conduct outreach to parents and family members and implement programs, activities, and procedures for the involvement of parents and family members in programs – (SWP SPFE) School Parent and Family Engagement Requirements. (Section 1116(b-c))
 - a. School Parent and Family Engagement Policy.
 - b. Shared Responsibilities for High Student Academic Achievement.
 - c. Building Capacity for Involvement.
